MEET YOUR DOCTOR

Shelly D. Sedberry, MS, DPM, AACFAS
Podiatric Foot & Ankle Surgeon

Dr. Shelly D. Sedberry, an Oklahoma native, graduated from the University of Oklahoma in Norman with a Bachelor of Science in professional chemistry and Master of Science in chemistry and biochemistry. She received her Doctor of Podiatric Medicine from the Des Moines University in Iowa.

Dr. Sedberry completed three years at one of the top podiatric residencies in the nation, Yale New Haven Hospital/VA Connecticut Healthcare System, where she was chief resident. During her time there she authored and co-authored several podiatric studies that were published in peer-reviewed medical journals.

Dr. Sedberry is a highly skilled surgeon credentialed in rearfoot and ankle reconstruction. She is board certified with the American Board of Podiatric Medicine and is an associate of the American College of Foot and Ankle Surgery. She is affiliated with Mercy Hospital Joplin and Northeastern Tribal Health System.
You do not need to suffer from foot and ankle pain anymore!

Shoal Creek Foot & Ankle Center provides comprehensive foot and ankle care for your entire family. Our doctors have specialized training and expertise needed to accurately diagnose and effectively treat any condition. Equipped with innovative technology and diagnostic tools, you can trust that you'll receive the finest care in the four state area. From ankle sprains and Achilles tendonitis to heel spurs, bunions, and diabetic foot pain, we're here to help you take your first step towards recovery.

THE OFFICE

Shoal Creek Foot & Ankle Center is conveniently located at 1801 West 32 Street in the heart of Joplin's medical community. The office is easily accessible from both West 32 Street and McClelland Boulevard. Find us in Building C, Suite 102 on the first floor. There is a patient drop-off driveway and plenty of parking.
